El Camino College Compton Center's Associated Student Body to Sponsor a Health Expo, Blood Drive and Family Services Fair May 14

El Camino College Compton Center's Associated Student Body (ASB) is sponsoring a Health Expo and Family Services Fair that will take place on Tuesday, May 14, from 9:00 a.m. to 3:00 p.m. in the Student Lounge. The Latino 93.6 FM radio station street team will be on site broadcasting throughout the event. Students and members of the public are encouraged to attend this complimentary event.

In conjunction with the Health Expo, there will be a two-day Blood Drive sponsored by ECC Compton Center's Nursing program on May 14-15 in the Staff Lounge (next to the cafeteria), located at 1111 E. Artesia Boulevard, Compton, CA 90221. Ever mindful of the constant need for blood, the nursing students organize annual blood drives to ensure that a safe and stable blood supply is available for people in need.

The Student Health Expo will include more than 45 fitness and health care companies and providers' exhibits covering services such as blood pressure exams, HIV/AIDS/STD screening, cholesterol screening, vision/dental care information, mental health referrals, emergency shelter, legal aid, and career building. Attendees will be able to interact with these exhibitors and become more aware of the various programs and services they offer in support of healthy living.

It is recommended that visitors access ECC Compton Center from the north Greenleaf Avenue entrances due to current road closures and construction taking place on the property. Parking is available in Lot F. For information on parking and access, please view the ECC Compton Center map at:
