Register Now for Compton College Winter Session; Earn up to 7 Units in Five Weeks

Winter 2018 Session Dates: January 4 - February 6, 2018

Compton College student Ryan Lett is taking advantage of the five-week winter term being offered in January 2018 to get back on track with his general education course requirements. He may even be able to graduate a semester earlier than planned by taking classes during the shorter winter term and summer session. "I'm taking two classes this winter to satisfy the general education requirements, including a math class, I need to transfer," said Lett, a commercial music major from Cerritos who plans to graduate from Compton College with an associate degree and possibly transfer to California State University, Los Angeles.

Winter term provides a great opportunity for students to get ahead in their educational plan and complete up to seven units in five weeks! The winter term is perfect for helping students graduate sooner, improve a GPA, repeat an essential course, and lighten the course load for spring, as well as satisfy any prerequisites.

Registration for the winter 2018 session is currently in progress. All students are encouraged to register early for the best class selection. Students may register online at www.compton.edu by clicking on *MyECC*. Although campus will be closed for winter recess December 22, 2017 through January 1, 2018, online registration is available 24 hours a day, seven days a week.

The schedule of classes, in both digital and searchable formats, is available on the Web at www.compton.edu/student-services/admissionandrecords/schedule/CC-ws-2018-schedule.pdf

A variety of transferrable and general education courses are being offered during both daytime and evening hours. Classes are available in anatomy, chemistry, biology, child development, geography, history, nursing, political science, Spanish, and more. Basic skills courses will also be available including math, English, and educational development.

Winter 2018 classes begin January 4 and end on February 6. Apply and register online, 24 hours per day via the Compton College website www.compton.edu. Fees are only \$46 per unit. For more information, please call 310-900-1600 or visit the website.

Financial aid and scholarships are available to help students pay for college. For more information about grants and scholarships, and to receive assistance with the application process, contact the Financial Aid Office, Room E-17, at 310-900-1600, Ext. 2935.
