Compton College's Transfer Fair and College Night Will Bring 30 Universities to Campus October 5

Compton College's annual Transfer Fair and College Night encourages students of all ages to plan for the next step in their educational journey by introducing them to a variety of colleges and universities. Representatives from more than 30 private and public colleges and universities will be at Compton College in the Tartar Quad on October 5 to share information about their respective programs with students.

This year's event will kick off with the Transfer Fair from 10:00 a.m. to 1:00 p.m. Compton College students will have the opportunity to walk from table to table gathering information and meeting with college/university representatives, making it a one-stop-shop for students looking to transfer.

From 1:00 to 2:00 p.m., there will be a presentation about the Historically Black Colleges and Universities (HBCU) Transfer Guarantee program in the Staff Lounge. In 2015, the California Community Colleges Chancellor's Office established the guaranteed transfer agreement with the HBCUs. The agreement makes it easier for students to transfer from a California Community College to a HBCU. For students to be eligible for guaranteed admission with junior status to participating HBCUs, they must complete the general education requirements for the University of California system or the California State University system and earn an associate degree (60 units) with a 2.5 or higher Grade Point Average (GPA). Students may also transfer with 30 or more California State or University of California transferable units and a 2.5 or higher GPA.

For Middle/High School Students and Parents

College Night will take place from 3:00 to 6:00 p.m. and invites local high school and middle school students, as well as their parents, to campus to visit with the participating colleges and universities. This event is a collaborative effort to support middle and high school students in their choice to pursue success in higher education and increase local college enrollment rates.

Compton College Transfer University Fair 2017 2-2-2-2

It's never too early for high school seniors to begin thinking about college enrollment. Compton College staff will be on hand to discuss and answer questions about the application and registration process for summer and fall 2018.

Participants will include representatives from University of California and California State University campuses, as well as member institutions from the Association of Independent California Colleges and Universities (AICCU).

For more information, please contact Compton College's Transfer Center at 310-900-1600, Ext. 2764.

About Compton College

Compton College is the community's education solution offering a full complement of transfer and degree courses, as well as career and technical education. Students may earn an associate degree or certificate, transfer to a four-year university or train for a career. Compton College is located at 1111 E. Artesia Boulevard, Compton, CA 90221.
