American Medical Women's Association Mini Med School

CCHPP attended the American Medical Women's Association Mini Med School at UCLA.

43 junior and senior girls from Compton High School's CTE emergency response pathway got to tour UCLA's campus, engage with panelists in the health field, and participate in hands-on workshops led by third year med students.

During these workshops, students got to practice using an ultrasound machine, stethoscopes, and suturing kits.

Community Updates

Compton College Job Fair

Compton College hosted its 4th annual Career Fair on March 25th with over 130 employers and resources in attendance, 780 pre-registrations, and 371 onsite registrations. Employers joined us from sectors including Healthcare and Behavioral Health, Education, Business, Government, etc. CCHPP tabled alongside other Compton College Programs, sharing resources on campus.

Discover CDU

CCHPP attended the Charles R. Drew University of Medicine and Science Discover Day, where prospective students, families, and community members learned about the school's programs and campus culture.

Current CDU students also served as panelists and answered audience questions about their academic journeys.

Community Resource Spotlight

Habitat Health Center

Habitat Health has recently opened a location in Compton! This health center focuses on providing care for adults 55+ who need assistance with specialty care, transportation, in-home support, meals, prescriptions, socialization, and more.

Eligibility is based on age, location within service area, and a need for nursing-home-level care. This center is ideal for those who need specialized assistance and wish to continue living at home.

The staff at Habitat are eager, friendly, and happy to work with the individual needs of every patient.

The center's doors are open to the community, so drop by if you have questions or feel free to give the center a call.

Habitat Health Address: 1005 E Rosecrans Ave, Compton, CA 90221

Phone Number: (844)664-2248

Get Involved

Your support empowers CCHPP to guide students from middle school all the way to careers in healthcare.

Ready to help? Employers can fill out the interest form in the QR code to learn how to collaborate with CCHPP and meet directly with our team.

Opportunities include hosting workshops and hiring events, assisting with programs, providing mentorship, and offering behind-the-scenes support.
