## Community Updates

### Compton College Transfer Fair

CCHPP attended Compton College's Transfer Fair to connect with students interested in transferring to four-year institutions and exploring healthcare career pathways.

Dozens of students stopped by our table to get resources and pick up a free neck fan to help beat the heat.

### Martin Luther King Jr. Youth Drop-In Center Groundbreaking Ceremony

CCHPP attended the groundbreaking ceremony, on September 30, where Supervisor Holly J. Mitchell and the Los Angeles County Department of Mental Health, in collaboration with the Willowbrook Youth Advisory Board, shared their vision for this new space.

The Youth Drop-In Center was designed by local youth, for local youth, to be a safe, supportive community resource and relaxation center.

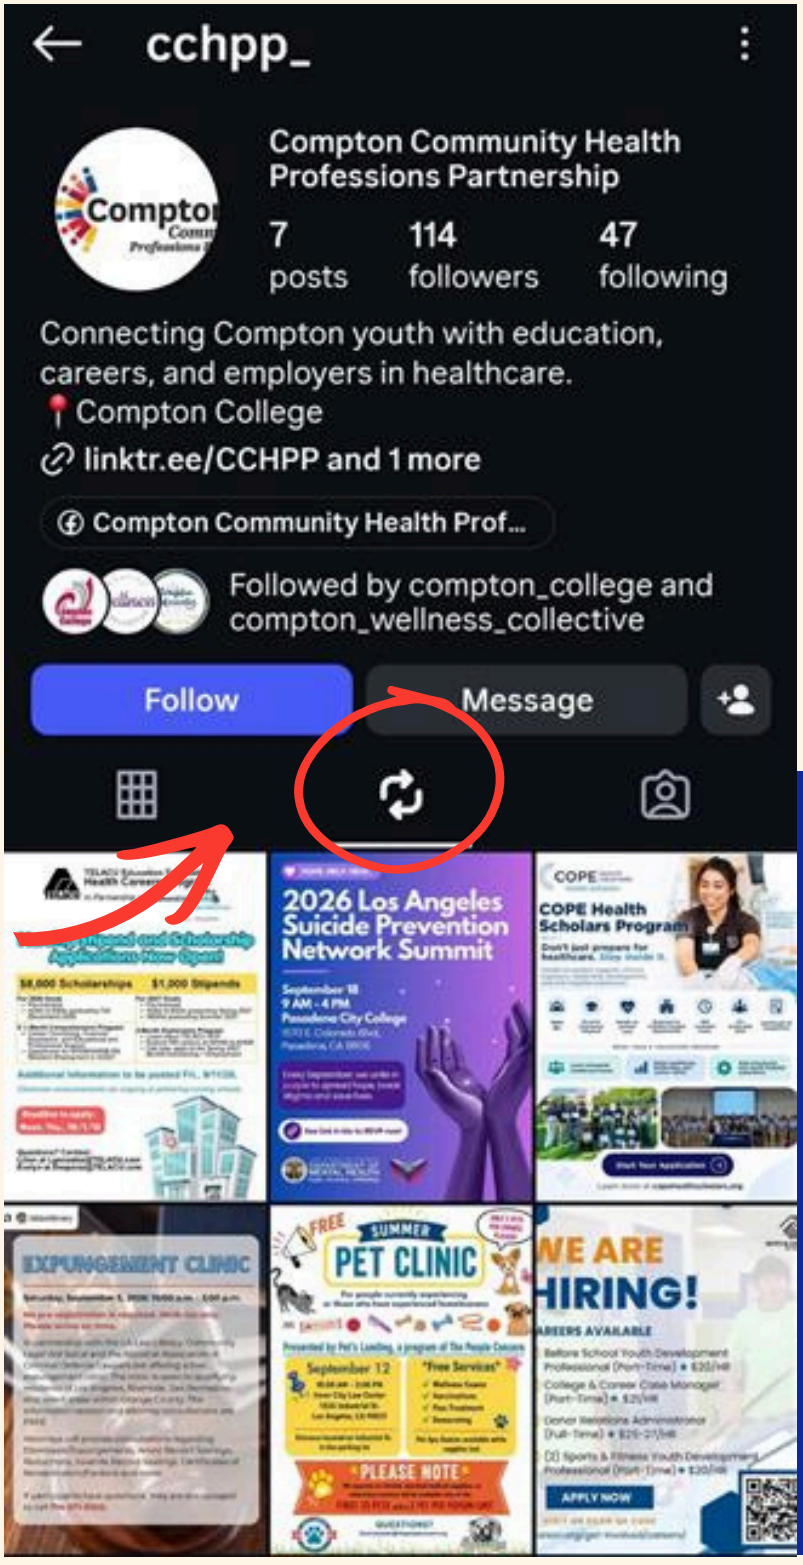

The grand opening is scheduled for 2027.

# Community Resource Spotlight

## HEAL LA

“In collaboration with our partners at Charles R. Drew University of Medicine and Science, CCHPP is highlighting the California Medicine Scholars Program (CMSP) HEAL LA initiative.

HEAL LA is a pathway from community college to medical school, with mentorship and hands-on exposure to the field.

The program gives students at participating community colleges a clear pathway to medical school, along with opportunities to build professional networks and develop career-ready skills with support from a dedicated team.

Applications are currently open through November 16, 2026 at 12 p.m. PST.

## Get Involved

Your support empowers CCHPP to guide students from middle school all the way to careers in healthcare.

**Ready to help?** Employers can scan the QR code to complete the interest form, connect with our team, and learn how to collaborate with CCHPP.

Opportunities include hosting workshops and hiring events, assisting with programs, providing mentorship, and offering behind-the-scenes support.
