Technology & Online Learning Support

| Resource | Description |
|--|--|
| @ONE | <p>The @ONE online network makes it easy for California Community College faculty and staff to learn about technology that will enhance student learning and success. @ONE's programs provide training and online resources for free- or at a very low cost- thanks to funding from the California Community College Chancellor's Office Telecommunication and Technology Infrastructure Program (TTIP).</p> |
| Online Learning Consortium (OLC) | <p>The Online Learning Consortium (OLC) is the leading professional organization devoted to advancing quality online learning by providing professional development, instruction, best practice publications and guidance to educators, online learning professionals and organizations around the world.</p> |
| 3C Media | <p>3C Media Solutions is the educational media distribution source for video content, podcasts, streaming services, and event coverage for the 113 campuses of the California Community Colleges Systems.</p> |
| eLearning Guild | <p>The eLearning Guild is a source of information, networking, and community for eLearning professionals. It produces conferences, online events, online and blended training courses, eBooks, white papers, research reports, and Learning Solutions Magazine—all devoted to the idea that the people who know the most about making eLearning successful are the people who produce eLearning every day.</p> |
