Thank you,
Sheri

Colleagues,

I wanted to check in to remind everyone to continue working diligently on your program reviews, and to attend a training if you have any questions or concerns about your document. During the trainings, I will walk you through the process of writing their document, and answer questions pertaining to individual programs. The training schedule for the rest of the semester is as follows:

Program Review Training Tuesday, October 27 2020 - <https://cccconfer.zoom.us/j/9923818402>

Program Review Training Tuesday, November 17 2020 - <https://cccconfer.zoom.us/j/9923818402>

Past-due academic program reviews are **due immediately**, and **program instructors who do not submit documents will be denied overloads and special assignments**. Once your document has been submitted to a division dean and approved, please email it to me at jmills@compton.edu, so I can forward it to the Institutional Effectiveness Committee for review.

Take Care,

Jesse
