Hello Mr. Seymour and Mr. McKinzie,

I am forwarding you the draft Compton College Institutional Self-Evaluation Report (ISER) timeline on behalf of the Accreditation Steering Committee (ASC). We are seeking feedback from the campus about the timeline before the ASC finalizes it and forwards it to Dr. Curry for final approval and posting on the website.

Please share this draft timeline with your membership. Any comments or feedback may be sent to me by June 4, 2021 to share with the ASC.

Thank you,

Lauren Sosenko
