Background:

The Accreditation Steering Committee (ASC) has prepared a draft of the Institutional Self-Evaluation Form (ISER) for public review and feedback. ***The ASC is seeking feedback about the draft content, especially any areas where additional processes of policies should be described or showcased by the College.*** Any employee, student, or member of the public may use this [form](#) to provide feedback that the ASC will consider as they refine the final version of the ISER for submission. The ASC will continue to refine the ISER in content and style, as well as copyediting and citing evidence. The Accreditation Liaison Officer will present this ISER draft to the Associated Student Government (ASG) and send out a campuswide message to all students about the ISER to seek feedback. The ALO will send the ISER draft to the Academic Senate and the Classified Union to seek feedback to strengthen the draft. The President/CEO also will announce the availability of the draft through a campuswide email and during the Tartar Talk on Tuesday, February 21, 2023. Finally, the ISER draft and the feedback [form](#) will be available on the Compton College Accreditation website. The final ISER is due to the Accrediting Commission for Community and Junior Colleges (ACCJC) by August 1, 2023, and will come back to the Board of Trustees for a read and approval in June and July 2023.

Individuals may also make a third-party comment to the ACCJC using its form that is posted on the Compton College Accreditation website.

Recommendation:

It is recommended that the Board of Trustees receives the draft ISER for review and feedback.
