What is academic renewal?**How do I transfer classes from another college to Compton College?**

If you want to transfer classes from another college to Compton College, first have your transcripts from that college sent directly to Compton College, Admissions and Records, 1111 E Artesia Boulevard, Compton, CA 90221. You should also always have your own copy of transcripts for reference or use in counseling sessions. A student needs to come in to see a counselor to have their college transcripts evaluated. Once you have your transcripts, make an appointment with a counselor to determine if your classes count toward an AA/AS degree and/or transfer, and to have an official evaluation completed.
