Register Online

Your Compton College student email is your login to the **MyCompton** portal.

You will need to use the following temporary password to get access: AaYYMMDD! (YY=last two digits of birth year, MM=two-digit month, DD=two-digit day) **followed by an exclamation (!) mark.** You will be prompted to create a new password and to authenticate your account.

Waitlist

Students on a waitlist for a class must check their @compton.edu email daily to find out if a space becomes available in the class. If a space becomes available, an email is sent to the student with a specified time to register for the class. Students will not be automatically added to the class. The waitlist time periods are listed below:

- 48 hours to add the class for Winter and Summer terms; and
- 72 hours for Summer and Fall semesters

Log in to the **MyCompton** portal and select "Register" to add the class to your schedule. If you do not register for the class within the allotted time you will be removed from the waitlist. Waitlisted students admitted to the class must pay those class fees by the posted deadline.

Add or Drop Classes

TO ADD A CLASS

Students can add classes online without an add code until the day before the first class meeting. After the first class meeting, an Add Authorization Code is needed to register for the class. Classes are added through the **MyCompton** student portal:

- Log in with username and password
- Click on the STUDENT SERVICES button

If you have a time conflict (e.g., a class you are enrolled in overlaps by one minute or more with a course you are trying to add), you will not be able to add the new class. An Add Code only works for one student
- Students have until 11:59 p.m. on the date(s) listed in the Winter 2023 Calendar, available on page 3 of this schedule, to add or drop classes.

Drops and Withdrawals

It is the student's responsibility to process an official withdrawal from class. Failure to do so may result in a letter grade of A through F. A student who fails to properly register or add a class will NOT receive credit for that class. Adding after the deadline is prohibited. If a student drops after the refund deadline, fees for the classes are forfeited. Any class subsequently added will require additional fees.

Unless specifically exempted by statute, every course, course section, or class, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to Compton College and who meets such prerequisites as may be established pursuant to Article 2.5 (commencing with Section 55200) of Subchapter 1 of Chapter 6 of Division 6 of Title 5 of the California Code of Regulations.

Unit Limitations

The student's program of studies will vary according to individual needs and objectives. The maximum full-time student program for a semester is 18 units without a physical education class and 19 units with a physical education class. The maximum program of study for a six-week summer session is eight units. The maximum program for an eight-week summer session is nine units if one unit is physical education. For the winter term, the maximum program of study is seven units. A student wishing to take more than the maximum units may file an Overload Petition through the Admissions & Records Office. Students must have completed at least 15 transferable units in one semester at Compton College with a 2.75 grade-point average and an overall grade-point average of 2.5 or higher to be eligible for an overload.

Fees and Fee Holds

Students are required to pay fees within ten (10) days of their enrollment in courses (AR-5031). A non-payment hold may be placed on a student record if registration fees are past due. This hold will prevent the student from

registering or adding additional courses for the next and/or future semesters.

Removing a Fee Hold

To register for classes in an upcoming semester or intersession, all fees must be paid before registration begins. A fee hold is automatically removed once the balance is paid in full.

Admissions Requirements

Any person over the age of 18 or possessing a high school diploma or its equivalent from the USA or other nation shall be admitted unless prohibited by law. If under the age of 18, students will qualify if they have 1) graduated from high school or 2) passed the California High School Proficiency Examination. Compton College may admit as a special part-time or special full-time student anyone in grades 11 or 12 who, in the opinion of the college president, may

benefit from instruction.

Concurrently enrolled 11th- and 12th-grade students must comply with all policies, follow all procedures, and meet all requirements by the published deadlines for each semester and/or term.

Attendance

Students who enroll in a class but do not attend the first scheduled class meeting may be dropped from the roster. Additionally, their place in the class will be given to students on the waiting list. If an illness or emergency prevents a student from attending the first class session, the student must contact the instructor. A student who registers for a class and never attends is still responsible for dropping the class. Failure to properly drop a class by the appropriate deadline may result in a "W" and may hold the student responsible for any and all fees associated with the class. The burden of proof is on the student.

California Residency

California State Assembly Bill 540 (AB540) allows any student who meets all of the following requirements to be exempt from paying nonresident tuition at California Community Colleges, the California State University (CSU), and the University of California (UC).

1. The student must have attended a high school (public or private) in California for three or more years or have attained credits equivalent to three or more years of high school coursework and a combination of three or more years at a California elementary or secondary school and

In addition to the affidavit, the student must also provide an official high school transcript that clearly shows attendance in all semesters and the date of high school graduation. If the student attended more than one California high school, then official transcripts from all

high schools must be provided. If the student graduated through equivalency as mentioned above, then proof must be provided.

Student information obtained in this process is strictly confidential unless disclosure is required under the law. Students who meet the criteria will be exempted from the payment of nonresident tuition but will not be classified as "California Residents." Students will continue to be classified as "Nonresidents." Students who are in the United States under a student or visitor visa are not eligible.

Return of Title IV Funds/Unofficial Withdrawal (Stopping/Dropping Out):

Federal regulations require a student to complete the term for which they were funded. If you have officially or unofficially withdrawn from all of your classes, stopped attending all your classes, or did not successfully complete any of your classes (received all F's), the College is required to calculate how much of the semester you did attend to determine how much of the aid you have "earned." You will be required to pay back the portion of financial aid you did not earn. This is called Return of Title IV, or R2T4.

When the Financial Aid Office calculates the Return to Title IV calculation, we must use the last date of enrollment and/or your last date of academic activity, as reported by your instructors, to determine how much aid you have earned. This date determines how much, if anything, you must repay if you do not successfully complete any of your courses.

You may not be required to repay your financial aid under these rules if you only drop one or two courses and remain enrolled in at least one financial aid-funded course. It is only required when a student is no longer enrolled in or does not pass all courses for a term.

More information can be found at www.compton.edu/student-services/financialaid/.

Scholarships

These awards are granted to students who best fit the requirements established for each scholarship. For a list of scholarships, information as to their requirements, and application forms and deadlines, please contact the Financial Aid Office, or visit www.compton.edu/district/foundation/scholarships.

All students are charged the \$10 Student Activities Fee when they register for fall and spring classes. *Student Activities Stickers will not be distributed during the campus closure*, verification of payment will be done through the student's financial account summary. Students may opt out of the Student Activities Fee (also referred to as the Student Activities Sticker) within the first two weeks of the semester.

To opt out, email the Office of Student Development at studentdevelopment@compton.edu.

Students who opted out of the fee can pay the fee at any time during the semester.
