Notes:

- In an effort to fund more projects, for item 4, a range of \$15,000-\$20,000 was requested. The committee recommended funding of \$15,000.
- For item 9, the faculty that participated in the voting process explained that the majority of the Dual Enrollment instructors are part-time and may already be knowledgeable about the Dual Enrollment Process. Therefore, the funding amount was lowered. In addition, the Committee was unsure as to whether this request was already funded by the College Futures Grant. If so, the Committee suggested that the \$5,000 recommended for this item be moved to item 9.
- For item 10, the Committee recommended using the remaining funds of \$7,000 to help fund item 10.
- Item 7 was denied funding out of Enrollment Management funds.
- Item 5 was added \$2,500 to mail out Welcome Letter on behalf of the President/CEO to all High School Seniors in local K-12 feeder Unified School District that qualify for the Promise Program.
