Dear Board Presidents Ramos and Brown:

Consistent with my letter on January 31, 2017, and under the authority provided in California Code of Regulations, title 5, section 58312, I have appointed Erik Skinner, Deputy Chancellor of the California Community Colleges Chancellor's Office, as the Special Trustee for the Compton Community College District. As Special Trustee, Mr. Skinner will have the authority to stay and rescind any decisions made by the Compton Community College District Board of Trustees, including but not limited to any actions of the district, which affect or relate to the implementation of the district's fiscal and educational plans. While our office is in the process of identifying a long-term special trustee to serve the Compton Community College District, Mr. Skinner will provide oversight and support in the interim. This is another historic step and we look forward to continued progress and partnership between the Compton and El Camino districts for the benefit of the students we serve.

Our office continues to support the partnership between the Compton Community College District and the El Camino Community College District with the shared goal of an accredited Compton Community College under the control of the Compton Community College Board of Trustees.

If you have any questions, comments, or concerns, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Eloy Ortiz Oakley', is written over a light blue circular stamp.

Chancellor Eloy Ortiz Oakley
