*AR 4025, item 7 (GE area 7) - Culture, Diversity, and Equity Requirement: A minimum of 3 units. A course used to satisfy the culture, diversity, and equity requirement may be double counted as meeting any applicable general education requirement.*

*Effective fall 2021, the culture, diversity, and equity requirement is met by taking a course listed in the catalog and approved by the Curriculum Committee. These relevant courses provide for an understanding and sensitivity to an array of cultures and identities as well as historical and lived experiences.*

Courses below are identified as meeting the new Associate Degree requirement, GE area 7 - Culture, Diversity, and Equity. As a result, require CCC approval to be illustrated in the Compton College 2021-2022 Catalog. Due to the language in AR 4025, “A course used to satisfy the culture, diversity, and equity requirement may be double counted as meeting any applicable general education requirement”, the corresponding areas, if applicable, have been listed next to the course name. Providing a special notation in the course catalog supports students in recognizing, in addition to GE Area 7, which other GE areas the course may satisfy. As a result of this notation, students’ academic planning and goals are supported.

*Statement:* If non-honors courses have a corresponding honors course, the honors course shall be included.
