3. Old Business:
  - i. BP 7160 – Professional Development (due June 16)- M. Moldoveanu moved to open discussion, G. Manikandan seconds. Committee requests more time to review and discuss. Senate has pushed this off to Fall 2021, so FDC will start reviewing. S. Khodagholian motioned to close discussion, M. Moldoveanu seconds, discussion closed.
  - ii. Book Club update- last meeting coming up on 5/28.
  - iii. PLEC update- only update is the PD calendar under new business
4. New Business
  - i. Vision Resource Center (VRC) Update (S. Berger) : We had issues with reporting partial hours and moving things from our systems to VRC. Worked through issues and trying to get our pd events into VRC. RSVPs will be in VRC, and when an event is done, the facilitator will report attendance for the event. Flex Reporter was just reporting, but VRC is a reporting system and a way to make connections and find PD across the state. Asking how this might affect faculty flex, because VRC doesn't do partial hours. Recommend a minimum amount of time that constitutes full attendance. Option to break into parts, register and get link. Faculty will need to make sure there aren't hours beyond the daily maximum.
