**MINUTES**

**1) Discussion Items**

- a) Update on the Midterm Report
- b) Feedback on alignment of accreditation work with institutional standing committees: Thank you to everyone that submitted their suggestions to the co-chairs. If you have additional suggestions, there is plenty of time to submit them. This will be a work in progress and will likely continue to change as we organize the College around accreditation practices.
- c) Update on the Distance Education Substantive Change Application: Since we are currently offering classes online, we have to submit a DE Substantive Change Application to the Commission. This will allow us to continue offering classes and programs online even after the Pandemic, or in the event of another natural disaster or pandemic. The tri-chairs will be working on this Substantive Change during the winter term due to the tight timeline for spring 2021.

**2) Future Agenda Items**

- a) Review of Distance Education Substantive Change Application
