

CCCD 2023-2024 Consultative Council Goals	Metric(s) and processes to track/define success
1. Identify and continue to support student success initiatives that eliminate barriers, address basic needs, and promote engagement, equity, and success.	The Consultative Council would need to identify which initiatives they want to support. Or, establish a workgroup that provides regular updates on these initiatives.
2. Monitor the implementation of the Compton College Diversity, Equity, Inclusion, and Accessibility activities into college plans and operations.	Inclusion of activities and initiatives in the 2020 Call to Action and 2024 Equal Employment Opportunity Plan are: a. Included in the Compton 2024 Action Plan b. Receive a status update by the June 2024 Action Plan update
3. Promote communication and foster awareness among students, faculty, Classified Professionals, and administration concerning the Compton College Collaborative Governance Process.	Response ratings to items on the CC Governance Survey a. "I am aware of the current governance structure and committees at Compton College." b. "The governance structure and committee responsibilities are easy to understand." c. "I know where to take my issues or concerns." d. "Decisions made by the governance structure are effectively communicated across Compton College." e. "Have you read the Compton College Collaborative Governance Handbook?"
4. Monitor the Compton College Accreditation Timeline to ensure the Institutional Self-Evaluation Report is submitted by the August 1, 2023 deadline, and provide additional evidence and information, if needed, to our ACCJC peer review team.	1. ISER status as of 8/1/2023: a. Submitted/Not Submitted 2. Tally of evidence items requested by the peer review team and tally of items provided: a. After ISER submission b. After Core Inquiries received and prior to site visit
5. Continue to improve the review process for Compton CCD Board Policies and accompanying Administrative Regulations.	1. Conduct survey or Zoom poll at December D&D on current review process. 2. Review data and current process. Make feasible changes to improve the process. 3. Conduct follow-up survey or Zoom poll late spring 2024 4. Report the status of meeting internal deadlines to review and approved BPs and ARs.
6. Support the effectiveness of institutional standing committees.	1. Institutional standing committees have established one or more SMART goals by February 2024. 2. Institutional standing committees evaluate goals by June 2024.
