

Health, Safety & Parking committee minutes

Facilitator: Chief Ramund Box

Recorder: Gregory Peterson

Date of Meeting Recorded: August 18, 2021

Vision:

Compton College will be the leading institution of student learning and success in higher education.

Mission Statement:

Compton College is a welcoming and inclusive community where diverse students are supported to pursue and attain student success. Compton College provides solutions to challenges, utilizes the latest techniques for preparing the workforce and provides clear pathways for completion of programs of study, transition to a university, and securing living-wage employment.

✓ Maradiaga, Axa
Maruyama, David
McKinzie, Amankwa
✓ Morales, Janette
Ornelas, Miguel
✓ Owens, Linda
Parnock, Heather
✓ Perez, Christopher
✓ Peterson, Gregory

Roeun, Malinni
Ruiz, Armando
Sasser, Rachelle
Schumacher, Holly
✓ Simmons, Annetta
✓ Sirajuddin, Ayesha
Thompson, Marcus
✓ Yahye, Abdirashid

Visitors/Speakers:

Cpt. Verastegui, Ivan – Compton Fire Dept.
Chief W. Wu - CUSD Police

Agenda:

1) Review of last Meeting Minutes

2) Pandemic Coordinators –Safe Return to Campus Updates – increased population on campus, Heather Parnock, Director of Community Relations – Not Present

Chief Box advised that the college will be prepared for the increased population on campus, classes begin on Saturday, August 21st. As the semester begins we will be bringing back about 300-400 staff members which will increase our staff population to about 1100-1200 people. Visitors, guest, vendors, construction and MLB will also create an increase on campus, but they are limited to specific areas on campus and they also have access to vending machines or restrooms on campus. Everyone on campus must wear a mask at all times when they are around other persons on campus regardless of vaccine status. The mask must be covering your mouth and nose.

3) Human Resources Update – R. Sasser, Vice President Human Resources – No Report

Chief Box reported that resolution regarding mandatory vaccinations by college staff, faculty, and students has been approved and sent to everyone by Ms. Sasser.

4) Facilities Update: Linda Owens, Chief Facilities Officer

HVAC Update is online and up to date. If there is any issues or questions regarding the HVAC

systems, please contact the Pandemic Coordinators. Areas are continually being cleaned daily and E-misted once a week. We have updated the HVAC in the Gym and it now has MERV-13 filters installed. Repairs and updates have been made to the HVAC systems in the Math/Science Building, CDC and VoTech. We have also worked on the system in TV-9

Question:

D. Blood: Can Maintenance clean offices that have not been occupied since the start of the pandemic? Answered – Facilities will be responding to offices reported by returning staff.

6) PPE Update: Reuben James, Director of Purchasing & Auxiliary Services

Currently we have a plethora of PPE in stock at M&O. Reuben would like to complete a walk through with Chief Box to determine how much of the N95 masks we have and if any would need to be ordered so that we have them in time for the start of school.

Questions:

B. Atkins: Are the N95 masks filtered or non-filtered? Answered

7) Return of Staff to Campus Checkpoint updates: Ramund Box, Chief of Police

Currently the college is in the process of redoing the access points to the college. The Greenleaf East gate will be opened Monday-Thursday for constructions, visitors, vendors, guests and MLB, while Artesia will be for Staff and Students only. This will help to alleviate a lot of the congestion and traffic on Artesia Blvd. Screening will be set up into 3 separate lanes, 2 lanes will be for those who did their survey online and the last lane will be for those who need help getting through the process. Screening stations on campus have been discussed and some issues with power and cover have come up and are being address but the idea is being discussed as a possibility.

8) Report from Compton Fire Department – No Report

9) Report from Compton Unified School District

Chief Box reported that classes begin tomorrow (8/19/21) and screening protocols are in place. Screening can be done before you arrive or can be done when you arrive. If you complete the screening process online you do not have to go through temperature screening when you arrive, you can go right to work. If an infection is found, the student is removed, contract tracing begins, and the student will have to quarantine for 14 days.

10) Review of Follow-up Items from the Previous Meeting(s)

a) COVID-19 Updates Area E – Disaster Area Management Coordinator (DMAC)

The new health order from Los Angeles County was emailed to the committee for review. The new health order deals with the new outdoor mask mandate.

b) Review COVID-19 Webpage

Please review the webpage, if something is missing or inaccurate please email Chief Box and the Pandemic Coordinators so that the webpage can be updated.

c) Table signage – Chief Facilities Officer

Table signage is not deployed, our CFO is in the process of creating and deploying the materials.

d) Increase of outdoor dining areas – Chief Facilities Officer

The increase of outdoor dining areas has not occurred, what you see now is what you will see next week. We have not brought in any additional tables. The cafeteria is scheduled to open either next week or the week after. If you would like to know the schedule, please email Chief Box.

11) Discussion Items/Reports

a) COVID-19 Screening Entry to Campus Changes

Screening procedures are still the same with the exception that when you complete the wellness survey online it will email you a green check which can then be shown at the checkpoint to verify that you have done everything and all we would need to do is check your name and take your temperature.

b) Reduction in meeting decision

Meeting are still being held twice a month until further notice and that is a decision I received from The President / CEO.

12) Pending Items

a) CPR First Aid Training – planning on going for PD

A meeting was scheduled but Chief Box was not on campus and the meeting was rescheduled to next week at which time he will have more information then.

b) Questions / Comments

B. Atkins: Is the college using the same parking lot names as before? Answered

B. Atkins: Where will staff & students be allowed to be dropped off by a ride share? Answered

A. Sirajuddin: Those who have been vaccinated, will they still need to go through a temperature check? Answered.

L. Clark: Can students enter on Greenleaf? Answered

D. Blood: Now that classes are restarting has discussion taken place as what the campus would do if we went back into a full lock down and what will the criteria be? Question will be referred to Pandemic Coordinators.

A. Yahye: If a student athlete is not vaccinated, will they need to do a weekly COVID test, also those who are vaccinated will they need to be tested monthly? Answered

B. Atkins: Has there been any updates regarding the barricades on Artesia at Santa Fe? Chief Box will contact Compton City Council regarding this matter.

F. Hatten: Chief Box can you please provide an update on the traffic light on Artesia? Chief Box is waiting on an update from Long Beach on this item.

C. Perez: Is it possible to have ASG on campus for non-class reasons? They're looking to shoot a video with a videographer on campus. Answered

A. Sirajuddin: If the CDC recommends a 3rd dose of the vaccine, will Compton College provide that dose? Chief Box will follow up with St John's on this item.

N. Gordon: Are parking fee's being waived for students for the Fall? Answered

A. Sirajuddin: Will parking permits be issued for the Fall semester? Answered

Next Meeting: Wednesday, September 1, 2021 at 1:00 p.m.
