Meeting Minutes

I. SEP/SSSP Summit 2016 – Albert Jimenez

Albert gave a report of the SEP/SSSP Summit from last Spring. Had a collaborative meeting which included approximately 10 students who added their ideas as activities were discussed. There about 40 participants and the event was at the Marriot and have a lot of positive feedback. PowerPoint presentation was sent to Marina Hernandez if anyone is interested in seeing it.

II. HBCU 2016 tour – Bailey Smith

Bailey Smith provided a summary of the HBCU 2016 tour including minimum qualifications for students who apply as well as the colleges on the tour route. Applications being accepted now for students planning on graduating/transferring in Fall 2017.

III. Updated Integrated Student Success Plan – Chelvi Subramaniam

Columns added to the Student Success Plan to include the strong workforce funding in which we are receiving about \$600,000 in this newest initiative. IEPI indicates that we need to have a plan of action, so requesting that Jessica Sanchez work with Joshua Meadors work on a plan on how we are going to utilize that funding. If you feel the chart is not clear enough or needs improvement, please let me know. Also, we will need to create a plan/report in which ties in Basic Skills, SSSP and SEP to minimize having to do multiple projects.

IV. Tasks for the next meeting – Chelvi Subramaniam

Will email all members the Integrated Student Success Plan chart so that you can start updating it; work with other team members so that the information can be integrated across the board. By the meeting please have a draft with this information in place and we can have a discussion and get your recommendations so that we can get them on the plan. Hopefully afterwards we can take it to Senate and Consultative Counsel for their approval to move forward.
