Objective: SEP/SSSP Updates and SSC Plan Review

- Bailey Smith provided Student Equity projects updates. Implemented a number of projects that were approved in spring 2016 and the committee has recently approved many new projects. Currently have a few ongoing projects, including embedded tutoring, English SLA's, EOP&S Care/Peer mentors and Math diagnostics. We are planning on moving forward with the Math DLA's and the English Bridge for winter. Our HBCU tour is coming up in a couple weeks and we have 44 students scheduled for that tour.
- Nelly Alvarado and Shateo Griffin provided updates on SSSP. They are piloting a case management for Student Success to get students to complete assessment, orientation and abbreviated/comprehensive ed. plan. Students who have completed two full time semesters should have completed the ed. plan. Counselors are also doing short presentation called Grades Matter to let students know the importance of keeping their grades up and the consequences if they don't.
- Albert was to provide a SSC Plan Review, however did not arrive until the end of the meeting. Estina Pratt and Nelly Alvarado provided information on their updated portions of the plan.
