Meeting Minutes

Review and approve minutes from 11/16/2016 meeting.

No correction to the minutes.

Completed projects:

- All lab computers have been upgraded with Windows 10 and Microsoft Office 2016 software.
- Five office buildings were networked in the Swing Space village.
- All conference rooms, one classroom, and the large computer lab in the Student Success Center / Library building were upgraded with the audio / visual systems.
- First-floor classrooms and labs in the Votech building were remodeled with new flooring and cable management.

In-progress projects:

- GST is installing A/V equipment in the Little Theatre.
- IT is working on upgrading staff computers with Windows 10 / Office 2016.
- IT continues installing phones in all classrooms on campus.
- Network Cabling Solutions (NCS) fixed four out of six non-working security cameras.
- IT continues working on the gap analysis report for the technologies Compton would need to have after it becomes an independent college.

Upcoming projects:

- IT plans to improve the district systems' disaster recovery processes.
- IT prepares the environment for Microsoft Office 365 migration.

Discussion Items / Other:

Art Leible updated the Technology Committee members on the current projects at El Camino College. El Camino College is in the process of implementing the new paperless system and the new facilities management calendar system that will be connected to the Colleague ERP system. Art offered Compton to be part of the new system implementations.

Alexys Quero, the new student representative, told the committee that from the student perspective the college's website is functional but feels outdated. Alexys expressed interest in using PA system for announcing student events.

Discussion items for the next meeting:

- Committee for selecting the ERP / SIS system.
- Accreditation committee visit review.

The Next Scheduled Meeting

3/22/2017

3 pm – MIS Bldg.
