

## Technology Committee Meeting

### Minutes

Meeting Date: March 20, 2019

Meeting Time: 3:00-4:00pm

#### Vision

Compton College will be the leading institution of student learning and success in higher education.

#### Mission Statement

Compton College is a welcoming environment where the diversity of our students is supported to pursue and attain academic and professional excellence. Compton College promotes solutions to challenges, utilizes the latest techniques for preparing the workforce and provides clear pathways for transfer, completion and lifelong learning.

\_\_\_A\_ Eduardo Estrella  
\_\_\_ Nicole Gordon  
\_A\_ Brent Kooiman  
\_A\_ Celia Valdez  
\_\_\_ Clifford Seymour  
\_A\_ Davionte Morrow

\_\_\_ Andree Valdry  
\_A\_ Gary Narusawa  
\_\_\_ Thomas DeHardt  
\_A\_ Dale Ueda  
\_\_\_ Jihoon Ahn  
\_A\_ Marc Rangel

## Meeting Minutes

- **Welcome and introduction**
  - Andrei Yermakov called the meeting to order
- **UPDATES:**
- **Review and Approve minutes from the February 27<sup>th</sup> meeting**
  -
- **Banner ERP/SIS Implementation**
  - **CCCApply data import-** Successfully completed the process, final testing tomorrow. Mid-April My Compton portal will be available. Students will receive an email notification that they can register in May. Currently working with the three teams regarding the portal and any changes / modifications needed.
  - **Challenge with Financial Aid-** Training continues with the Financial Aid department. The Federal ID number needed for Compton College to process financial aid is not available until we separate from El Camino. Compton College will be able to process financial aid beginning July 10.
  - **CRM Recruit-** Andrei discussed the process of CRM recruit and the importance of the module moving forward; it will go live within a month.
  - **TOUCHNET-** All the hardware received and location for Student Station (ID Cards) has been identified. All iPad configured, by David Simmons. A computer, printer and camera will be configured and David Simmons is working with the vendor to complete this task. ( for creating student ID Cards)
  - **Banner Document Management** – Jihoon discussed the Admin training currently taking place. Talked about the user types (3 levels) read only, read and add, add, delete, and edit. Jihoon is responsible for migrating reports from old system. Currently around 3000 student records from El Camino.
- **Other Systems**
  - **COMEVO-** Student orientation platform will be on the next board agenda in April.
  - **Credential Solutions-** will be on the April Board agenda, the agreement is finalized. Credential Solutions is used for transcripts and parking permits. This will be an automated system to pay fees online, and temporary parking and visitor permits can be requested online as well. Andrei explained some of the features of the system.
- **Banner data migration-** Andrei discussed the Banner systems more with the committee and talked about the different systems that connect to Banner.

- **Microsoft partner projects' updates:**

- MyCompton portal –Andrei discussed the portal with the committee
- 
- AD Automation – Andrei discussed the process and timeframe from a student applying to Compton College to the student being able to log into the portal. The student should be able to log into the system within 2-3 hours.

- **Questions/ Concerns**

- Some discussion about LACOE integration
- My Compton portal at the next meeting

Meeting Adjourned

**The Next Scheduled Meeting**  
**April 17<sup>th</sup> 3:00-4:00pm**  
**LRC Conference Rm. 220**
