A=absent

Meeting Minutes

- **Minute Approval**

  o Motion made by Clifford Seymore and seconded by Syria Purdom to approve the minutes from the December meeting. Minute were approved with no objections.

- **504/508 subcommittee update**

  o David Maruyama indicated that the 504/508 committee is continuing to work on the website accessibility statement. There are still questions on where to route accessibility concerns. The committee is still being defined.
  o The webpage still also need to be corrected
  o In April Dr. Curry is scheduled to join the 504/ 508 committee meeting to provide some suggestions.

- **Faculty Laptop Update**
  o David Simmons provided an update on the faculty laptop, over 90% of faculty have received their new laptop.
  o There have been complaints from faculty regarding the laptops, some faculty wanted to receive MACS
  o Technology committee faculty mentioned that there were no technical issues with the laptops.

- **Classified Staff Laptops**

  o Classified staff laptops will be replaced in the next 2 months
  o New laptop distribution and docking stations should be complete before summer

- **Intranet for ERP**
  o Not able to find a suitable solution, still researching.

- **Email Spam**
  o Large number of email spams targeting employees and students
  o Multi factor authentication will be required at the end of Spring for all employees and students
  o More discussion on multi factor authentication

- **Zoom Sub-account**
  o Push from the Chancellor's office to have colleges take over their Zoom accounts.
  o Storage will be the responsibility of the college.
  o Instructions will be provided on migration, faculty will not lose lectures
  o After switch, staff will use single sign on for Zoom, through MY COMPTON
  o More discussion on Zoom sub-account.

- **Return to Campus- Tech Needs**

    o There was some discussion on the campus tech needs once more people return to campus
    o Some discussion was about scheduling student services such as tutoring.
    o Committee members were asked to bring more idea to the next meeting regarding the tech needs for campus.
