Absent

<u>**Meeting Minutes**</u>

I. Minute Approval

- o Motion made by Lynn Chung seconded by Josue Flores, to approve the minutes from the May 18th meeting. Minutes approved without objections.

II. 504/508 Subcommittee Update - No update yet, will have first meeting of the semester tomorrow

III. Innovation Experience (IxS) Subcommittee Update

- o Lynn Chung shared the minutes from the first meeting of the semester
- o Discussed the upcoming classroom pilots
- o Discussed upcoming workshops next month
- o Technology committee members will attend workshop and meeting will begin afterwards @ 3:30pm

IV. Ransomware attack – LAUSD

- o David Maruyama talked about the LAUSD Ransomware attack and reminded faculty to be aware of Phishing emails and not clicking on suspicious links.
- o The damage of the attack on LAUSD was extensive
- o David Simmons shared a recent article with the committee discussing the Ransomware attack on LAUSD and how they are fighting this attack.
- o More education was suggested on cyber attacks
- o Josue asked the committee about the Technology webpage and it was suggested to add information to the web page about cyber attacks and cyber security. Josue welcomed any additional suggestions on the topic.
- o There was more discussion about training and prevention for faculty, staff, and students.

V. SSC/ LRC

- o David Simmons provided an update on the roll out of the new computers in SSC/ LRC.
- o Shipping delays have prevented the completions of the project. Still receiving new computers from the order last summer.
- o As the new computers come in, they will be deployed to the remaining locations in SSC.
- o There have been no issues reported despite the delay with computer rollout.
- o David also mentioned the approval of free printing for students on campus. There was some discussion on free printing and how it relates to the OER guidelines.

VI. Technology Committee Goals

- o David Simmons review the current Statement of Purpose for the Technology Committee. Members agreed that the Statement of Purpose was fine but suggested some wording modifications to the current committee goals.
- o There was more discussion on the Technology Committee goals.
- o We reviewed the Technology Committee webpage and determined some updates were needed with committee members and some spelling corrections.
- o
