I. Minute Approval

- Motion made by Josue Flores, seconded by Evan Skorka, to approve the minutes from our November 16th meeting. Minutes approved, no objections.

II. Updates

    a. **504/508**- Cliff discussed the Chancellor's office meeting attended relate to 504/508 and provided feedback. The Community Colleges have no accessibility model, but the CSU system does, so those folks have been hired to assist with publishing accessibility model. David Maruyama talked about webinar on accessibility and security and provided feedback to the committee.

    b. **IxS** – Lynn reported no meeting yet for the IXS committee, they will meet in March. Lynn discussed some Library updates on Easy Proxy OCLC software. The Library has been approved for funding and are currently waiting for more details in hopes to implement the system this semester.

    c. **Distance Ed**- Airek talked about last week's outage. Also, DE is running student training in VT214 1 week before and the first week of classes for in person sessions.

III. Chat GPT

- David Maruyama provided a demo of Chat GPT for committee members. There was discussion about the educational integrity and misinformation associated with Chat GPT. Interim CTO, Arlen Rauschkolb asked about our college policy on use of AI technology and academic integrity. (There is no known policy) It was suggested at the next meeting to come up with some language for Academic Integrity. There was more discussion on usage of Chat GPT and plagiarism.

IV. Facilities Update

- No facility updates

V. 2024 Technology Master Plan.

- Jared Gordon and David Maruyama are working on 2024 Technology Master Plan
