Evaluation of Institution-Set Goals

Spring 2020

*Measures with an asterisk come from the Student Success Metrics [dashboard](#) provided by Cal-PASS Plus

^{VS} = Goal based on alignment with Chancellor's Office [Vision for Success](#) to contribute to a 20% increase in completions and 35% increase in transfers by 2021-22 across the state. Compton College stakeholders agreed to increase the goal of students who complete transfer level English and math in the first year to the state average (27% and 11% respectively), as shown below. College stakeholders defined the 2021-22 goals as aspirational and achievable. The college also has set standards for a sub-set of measures, which are noted in the metric title if applicable. Standards are thresholds not to dip below, and if that occurs, it will trigger immediate action.
