

El Camino College Compton Center

Success and Retention by Course and Faculty

The following report provides the grade distributions, retention rates and success rates for each course offered in the indicated term. A separate breakdown by faculty name is provided. Grades from sections of the same course taught by the same faculty are combined into one listing. Courses with fewer than 5 students are not included in this report. Results from online courses are provided in a separate report.

Report Definitions and Notes

We use the Chancellor's Office methodology to calculate the success and retention rates.

Retention Rate

The retention rate is the percentage of students who remain enrolled through the end of a course out of all students enrolled at **census date** (definition below). In essence, it is the percentage of students who *did not drop late or withdraw*.

Formula:

Numerator (top): Number of enrollments with grade of A, B, C, D, F, I*, P, or NP

Denominator: Number of enrollments with grade of A, B, C, D, F, I*, P, NP, W, or **DR**

Success Rate

The success rate is the percentage of students who receive an A, B, C or P as a final course grade out of all students enrolled as of the **census date**.

Formula:

Numerator (top): Number of enrollments with grade of A, B, C, or P

Denominator: Number of enrollments with grade of A, B, C, D, F, I*, P, NP, W, or **DR**

Census Date

The census date is the day on which the College records students as "enrolled" in a given term. It typically follows the add deadline, but a specific formula is used to calculate this date based on course criteria such as number of days and weeks a class meets.

Grades/Notations

Most grades and notations in this report are easily identifiable but one warrants brief explanation. "**DR**" represents an internal notation that does not appear on students' transcripts. The DR indicates drops that occurred after the initial add/drop period but before the "W" notation date. Every *Schedule of Classes* publishes on the inside front cover the regular 16-week deadlines for Adding (or dropping before Census), Dropping without Notation (DR), and Last Day to Drop (with a "W").
