

# El Camino College

## Success and Retention by Course and Faculty

---

The following report provides the grade distributions, retention rates and success rates for each course offered in the indicated term. A separate breakdown by faculty name is provided. Grades from sections of the same course taught by the same faculty are combined into one listing. Courses with fewer than 5 students are not included in this report. Results from online courses are provided in a separate report.

### *Report Definitions and Notes*

We use the Chancellor's Office methodology to calculate the success and retention rates.

#### **Retention Rate**

The retention rate is the percentage of students who remain enrolled through the end of a course out of all students enrolled on **census date** (definition below). In essence, it is the percentage of students who *did not drop late or withdraw*.

##### **Formula:**

Numerator (top): Number of enrollments with grade of A, B, C, D, F, I\*, P, or NP

Denominator: Number of enrollments with grade of A, B, C, D, F, I\*, P, NP, W, or **DR**

#### **Success Rate**

The success rate is the percentage of students who receive an A, B, C or P as a final course grade out of all students enrolled as of the **census date**.

##### **Formula:**

Numerator (top): Number of enrollments with grade of A, B, C, or P

Denominator: Number of enrollments with grade of A, B, C, D, F, I\*, P, NP, W, or **DR**

#### **Census Date**

The census date is the day on which the College records students as "enrolled" in a given term. It typically follows the add deadline, but a specific formula is used to calculate this date based on course criteria such as number of days and weeks a class meets.

#### **Grades/Notations**

Most grades and notations in this report are easily identifiable but one warrants brief explanation. "**DR**" represents an internal notation that does not appear on students' transcripts. The DR indicates drops that occurred after the initial add/drop period but before the "W" notation date. Every *Schedule of Classes* publishes on the inside front cover the regular 16-week deadlines for Adding (or dropping before Census), Dropping without Notation (DR), and Last Day to Drop (with a "W").
