At El Camino College Compton Center, English-80, 82, and 84 are Basic Skills and Developmental Reading courses. In this study, students who enrolled in a Reading course for the first time during the terms of Fall 2007 and Spring 2008 were tracked until Summer 2009 and Winter 2010, respectively, to find how many students enroll and successfully complete the Basic Skills and Developmental Reading Track. Students that pass a course in one or more attempts during the time frame are counted in the success rate, regardless of the amount of attempts in the course.
