

COMPTON COMMUNITY COLLEGE DISTRICT

NURSING STUDENT SUCCESS FACILITATOR

POSITION DESCRIPTION

Under the direct supervision of the Associate Dean of Nursing and in communication with the Student Success Coordinator, the Nursing Student Success Facilitator plans, organizes, and coordinates academic support with the faculty to assist struggling nursing students in the classroom. The Student Success Facilitator will work with faculty for the assigned course to identify the areas where the students have deficiencies, provide assignments to complement those areas of weakness, follow up with the Student Success Coordinator and course faculty on the student's progression toward success. Record-keeping is a very important responsibility of this position for data analysis and outcome.

DUTIES AND RESPONSIBILITIES

- Implements interventions that address several areas including academia, study skills, test-taking skills and time management skills.
- Mentors and/ or tutors students at the course level of the nursing program assigned.
- Ensures the tutorial material is adequate for the course level assigned by regularly communicating with the Coordinator and faculty.
- Communicates with the faculty and coordinator on the students' improved performance within the course.
- Assesses academic support programs that facilitate student success and successful progression toward degree completion for all students at various levels in the nursing program.
- Provides students with additional support to promote lifelong learning and critical thinking.
- Encourages increase in retention and completion in the nursing program by providing direction and support in utilizing the available resources of the nursing program and college.
- Assesses information from students for referrals (such as those who may have disabilities) to programs and services that can better attend to their specific needs.
- Participates in coordination and evaluation of academic support services and activities to meet department goals and objectives.
- Provides innovative, achievable recommendations to the Associate Dean and others.
