Mission, Vision, and Strategic Initiatives

Vision:

Compton College will be the leading institution of student learning and success in higher education.

Mission:

Compton College is a welcoming environment where the diversity of our students is supported to pursue and attain academic and professional excellence. Compton College promotes solutions to challenges, utilizes the latest techniques for preparing the workforce and provides clear pathways for transfer, completion and lifelong learning.

Strategic Initiatives

- In order to fulfill the mission and make progress toward the vision, Compton Center and the future Compton College will focus on the following strategic initiatives. Strategic Initiatives represent the areas of focused improvement. Objectives are college-wide plans to make progress on each initiative. Measures assess that progress during the period of the Strategic Plan (2017- 2018 to 2021-2022).

Strategic Initiatives

Strategic Initiative 1: Improve recruitment, enrollment, retention and completion rates for our students.

Objective 1. Tailor degree and certificate programs to meet the needs of our students.

Objective 2. Educate students about pathways to graduation.

Objective 3. Enhance student preparation for academic success and completion.

Objective 4. Provide a student-centered environment that leads to student success.

Strategic Initiative 2: Support the success of all students to meet their education, and career goals.

Objective 1. Attract and retain traditional students, and focus on retaining non-traditional students.

Objective 2. Minimize the equity gap as to regards access, retention, and graduation rates.

Objective 3. Identify and provide clear pathways for traditional and non-traditional students to meet their goals.

Strategic Initiatives

Strategic Initiative 3: Support the success of students through the use of technology.

Objective 1. Implement an early alert program to identify and notify students of support services and programs in a timely manner.

Objective 2. Provide robust distance education course and service offerings.

Objective 3. Enhance technology for teaching and learning through professional development.

Strategic Initiative 4: Offer excellent programs that lead to degrees and certificates in Allied Health and Technical fields.

Objective 1. Increase the number of degrees and certificates awarded in the Allied Health and Technical fields.

Objective 2. Implement a plan to target outreach of working professionals in Healthcare and Advanced Manufacturing.

Objective 3. Create collaborative partnerships with industry leaders in the Allied Health and Technical fields.

Strategic Initiatives

Strategic Initiative 5: Establish partnerships in the community and with the K-12 schools.

Objective 1. Establish faculty to faculty partnerships with K-12 feeder schools to better align curriculum between the two segments, and to improve student preparation.

Objective 2. Continue to develop more Career and Technical Education programs that meet the needs of the community.

Objective 3. Strengthen the broader needs of the community served by Compton Community College District.
