Dear Dr. Moldoveanu:

Below are my responses to the following Academic Senate – Summary of Decisions Made at the **March 2** and **March 16, 2023**, Meetings:

Academic Senate – Summary of Decisions Made at the March 2, 2023, Meeting

Board Policies and Administrative Regulations:

1. Administrative Regulation 4226 – Multiple and Overlapping Enrollments. ***Accepted with modification.*** The name of the Administration and Records Office was corrected throughout. The statement “Students will submit the Time Conflict Petition to the Office of Admissions and Records by the census date” is modified to read “The approved Time Conflict Petition will be submitted to the Admissions and Records Office before the class census date.” Generally, it is the Senior Administrative Assistant who forwards completed forms to the Admissions and Records to expedite processing. Also, the word “by” is changed to “before” as all class adds must be processed before the class census date.
2. Board Policy 5900 – Study Load Limitations. ***Accepted as presented.***
3. Administrative Regulation 5900 – Study Load Limitations. ***Accepted as presented.***
