2022-2023 Outreach and Recruitment Activities Plan

Overview

The Outreach and Recruitment Plan focuses on the Connection and Entry phases of the Tartar Completion by Design framework. Connection centers on initial interest through submission of the admissions application, while Entry centers on enrollment through completion of “Gatekeeper” courses. The graphic below visually illustrates the Tartar Completion by Design Framework.

Tartar Completion by Design

Moreover, the Outreach and Recruitment Plan aligns with Goal 1 of the [Compton College 2024 Enrollment Management Plan](#): develop and implement a long-range, comprehensive, and strategic plan for increasing outreach to first-time students, including traditional and non-traditional students.

The Outreach and Recruitment Plan also aligns with the [2021-2022 Compton CCD Board of Trustees Goals](#), the [2021-2022 President/CEO Priorities](#), and the [Compton College 2024 Comprehensive Master Plan, Certificated Bargaining Unit Agreement](#), as well as Classified Staff and Administrative job descriptions to increase outreach opportunities within our District.

Outreach and Recruitment Goals

Compton College has three Institutional-Set Goals for **Connection through Entry**:

Steps to Enrollment

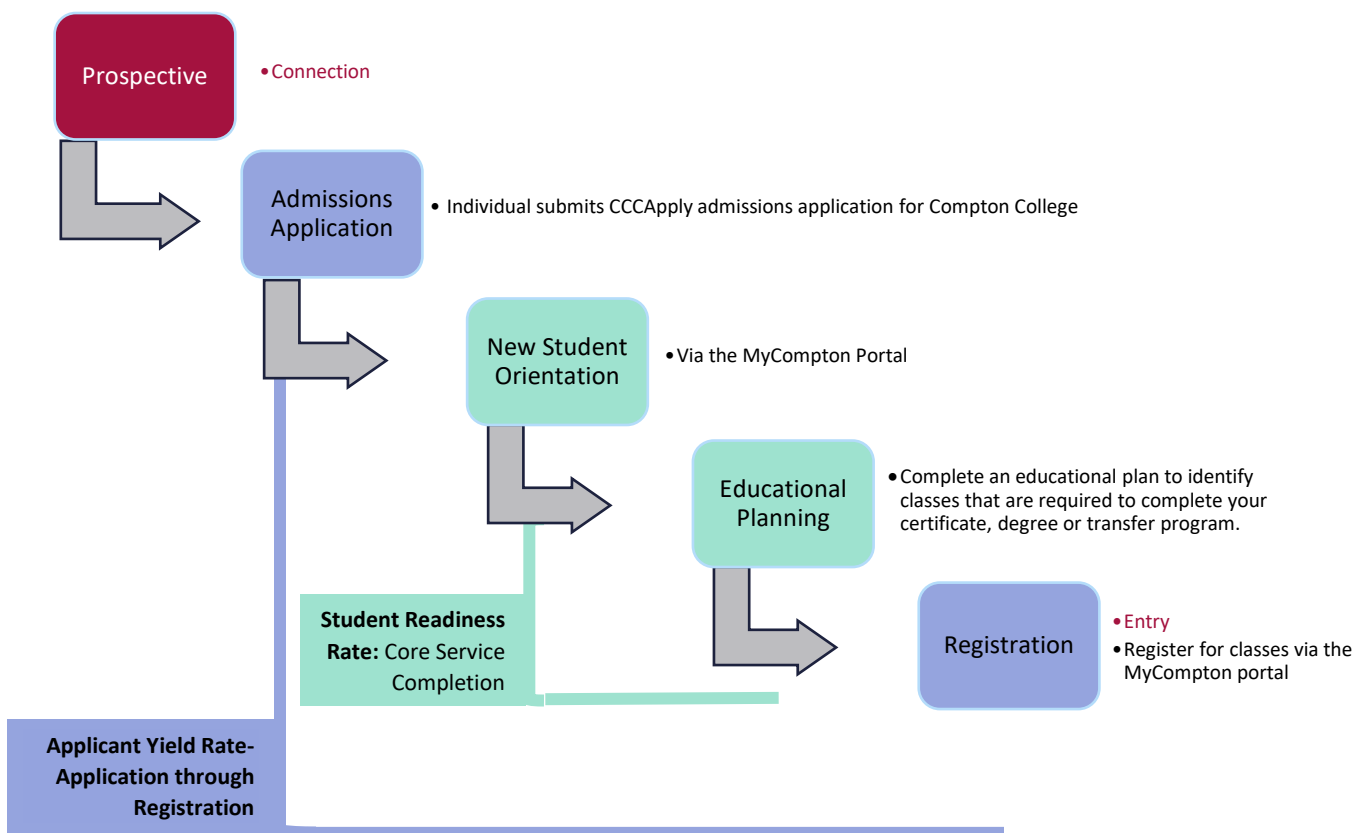

Successful enrollment requires that students complete the Steps to Enrollment. The intent of the Steps to Enrollment is to ensure that students promptly define their education and career goals, complete their courses, persist to the next academic term, and achieve their educational objectives in a timely manner. Below are Compton College’s Steps to Enrollment.

1. Application- submit a free CCCApply admissions application, online Financial Aid (Free Application for Federal Student Aid (FAFSA) and California Dream Act Application (CADAA).
2. New Student Orientation- is an introduction to academic programs and support services.
3. Educational Planning- Meet with a counselor and complete an educational plan to identify classes that are required to complete a certificate, degree, or transfer program.

4. Register for classes- *Student moves to the Entry Phase of the Tartar Completion by Design Framework.*

Diagram 1 below illustrates the Steps to Enrollment in relation to the Institutional Set Goals referenced in Table 1 above for Successful Enrollment and Student Readiness Rate. The diagram shows that Outreach and Recruitment Activities should be tailored based on an understanding of the Steps to Enrollment, which begins with faculty, classified professionals, and administration engaging in positive interactions to connect with prospective students to encourage them to apply to the college, and complete the core services, and register in courses.
