**Re: Compton College Visual and Performing Arts (VAPA)
Replacement Project Additional Funding Request**

Dear Brian:

As previously mentioned in our monthly meetings, Compton College is requesting additional funding for the Visual and Performing Arts (VAPA) Replacement project in the amount of \$4,343,000 because of a Division of the State Architect (DSA) code interpretation requirement for a structural upgrade to the remaining portions of the existing Little Theater building. Enclosed are the supporting documents outlining the issue from DSA and the other funding breakdown requested to mitigate this unforeseen situation.

If you have any additional questions or concerns regarding this funding request, please contact Linda Owens, Chief Facilities Officer, at lowens@compton.edu or by calling (310) 900-1600 ext. 2606.

Sincerely,
