CCSSE Closes on May 10, 2023

We are entering the last week of the Community College Survey of Student Engagement (CCSSE), which will close on **May 10, 2023**. Unfortunately, we have a low response rate as we have only received 198 responses (8%). If you see a student this week, please encourage them to complete the CCSSE. They can access it through Canvas or their email. It provides critical information about the student experience to support planning and decision-making on our campus. If you have any questions about the CCSSE, contact Hawk McFadzen at hmcfadzen@compton.edu.

Final Thoughts

I want to thank everyone involved in the planning and execution of last Saturday's Community Day – especially the Maintenance & Operations employees who were on hand to ensure everything went smoothly – THANK YOU! The campus looked fantastic, and our guests had a memorable time. Click [here](#) to view pictures of the ceremonies and resource fair.
