

# Compton College Articulation Request Calendar

## Spring 2025 – Fall 2026

### Articulation Requests, Approval & Calendar

**All courses must receive all the following approvals, prior to articulation request submissions:**

**1).** Curriculum Committee **2).** Academic Senate **3).** Board of Trustees (BOT) **4).** CCC Chancellor's Office (State). *Reminder: new courses require Two Reads at Curriculum Committee & Academic Senate.*

### Important Notes:

- There is now only one transfer General Education (GE) pattern for both the University of California (UC) and the California State University (CSU) – *California General Education Transfer Curriculum (Cal-GETC)*.
- UC & Cal-GETC articulation requests are submitted only once a year, and effective only for the Fall term. GE requests submitted this Fall, becomes effective for the following Fall.
- **Approved Course Outline of Records (CORs) must comply with articulation guidelines/policies** such as Textbook recency (at least 1 text), Methods of Evaluations, Methods of Instruction, etc. Therefore, it is **highly recommended** that you meet with the [Articulation Officer \(AO\)](#) **prior** to submitting courses in CurrIQunet (Cnet) for approval; this ensures the course(s) will not be returned for corrections which will cause delays. If the articulation approval is skipped in Cnet, please reach out to the [AO](#).
- Specific course-to-course articulations with universities occur **after** receiving general applicable UC & CSU approvals.
- Sufficient time must be available to ensure the Curriculum Analyst is able to submit courses in a timely manner for State approval.
- Distance Education (DE) approval is not required prior to articulation submissions.
- These dates **do not** include Catalog production deadlines, which may be earlier.
- Be sure to check-in with the [AO](#) to determine the first term the articulated course can be scheduled.

### General CSU/UC Articulation Submission Calendar for Courses

Last BOT Approval Month	ASSIST Effective Term
April, of the current calendar year	Fall, of the current calendar year
October, of the current calendar year	Spring, of the following calendar year
