## STEP 1 | Admission

### Who is eligible for Admission?

Anyone 18 years of age or older qualifies for admission to El Camino College Compton Center. If under the age of 18, you will qualify if you have 1) graduated from high school or 2) passed the California High School Certificate of Proficiency Test.

El Camino College Compton Center may admit as a special part-time or special full-time student anyone in grades 11 or 12 who, in the opinion of the provost, may benefit from instruction. Concurrently enrolled 11th and 12th grade students must comply with all policies, follow all procedures, and meet all requirements by the published deadlines for each semester and/or session.

### California Residence Requirement

#### Can I apply as a California resident?

To attend El Camino College Compton Center as a resident of California, a student is required to have been a legal resident of the state, as defined in the California Education Code, for more than one year immediately preceding the residence determination date. The residence determination date is the day preceding the first day of the semester or session.

In addition you must meet the two-year intent provisions of California residency code, and must not have engaged in any actions that are contrary to establishing residency in the state of California.

#### How Do I Apply?

Apply online by visiting: [www.compton.edu](http://www.compton.edu) and clicking on **Apply Online** - it's that easy! New and returning students (those with an absence of two consecutive semesters, excluding Summer and Winter Session) must complete an application. Don't forget to submit official transcripts from all accredited colleges, and trade schools attended. If you are applying for Advanced Placement credit, then you must submit your official high school transcripts.

## Step 2 | Assessment

### How Do I Make Arrangements For Testing?

Personal identification with a photograph and your El Camino College Compton Center I.D. number are required to take tests and receive results.

You must have an application on file prior to any testing. Testing should be completed as soon as possible after you file your admission application. Read the catalog description of classes which interest you to learn if there is any testing recommended or needed. Keep in mind that all placement tests are part of the multiple measures of the assessment process. Be sure to take testing results with you when you go for your academic advisement or educational planning sessions.

The placement tests for English, English

as a Second Language, and Math are computerized and given on a drop-in basis—no appointment is necessary. Other tests, such as the Chemistry Placement Test, are given on an appointment-basis only. Please contact the Assessment Center for further information at 310-900-1600 ext. 2830.

All testing is done on Campus at the Assessment Center. Testing must be completed before you register for courses. Retesting is limited and may not be done after you have enrolled in any course related to the test.

## STEP 3 | Orientation

Welcome to El Camino College Compton Center! All students are encouraged to participate in orientation and to become familiar with the center and its resources.

Sign-up for Winter 2009 student orientations in the Counseling Department, located in the Administration Building. Students learn about campus services and programs through the orientation provided by the Counseling Department.

For more information about campus orientations, please contact the Counseling Department at 310-900-1600 ext. 2076.

## STEP 4 | Counseling/ Advisement

### How can I get help selecting classes?

Counseling services are available to students through scheduled appointments. A student who has selected a major field of study is strongly encouraged to see one of the counselors assigned to that field; an undeclared or undecided student may see any counselor.

As an integral part of the matriculation program, counseling services are intended to assist students in clarifying career and life goals and in developing an appropriate course of study based on a student's goals, aptitudes and interests.

Drop-in advisement is available Monday through Thursday from 8 a.m. to 6:30 p.m. and Fridays from 8 a.m. to 4:30 p.m. for students who have questions which do not require transcript review. The drop-in advisement schedule is subject to change, based on counselor availability. Please call the Counseling Department in advance for the daily schedule at 310-900-1600 ext. 2076.

In addition, you must meet the two-year intent provisions of California residency code and must not have engaged in any actions that are contrary to establishing residency in the state of California. The burden of proof to clearly demonstrate both physical presence in California and intent to establish California residence lies with the student in accordance with Education Code Section 68040.

The residence of an unmarried student under the age of 19 is determined by the legal residence of the parents. A married minor determines residency from the date of marriage and must comply with all provisions of residency as cited above. A person may not derive residence from a spouse.

## Priority Registration

In compliance with Section 51825 of Title 5, California Administrative Code, priority registration will be implemented in this way:

1. Special registration assistance to the handicapped or disadvantaged students as defined by statute for the purpose of providing equalization of education.

2. Students will receive priority registration according to this ranking system and criteria:

- Registration priority will be awarded as follows:

A. First priority: continuing students

B. Second priority: new and readmit students

- For fall and spring semesters, the enrollment of continuing students in accordance with priority system established on the basis of these factors:

A. One point for each unit completed at El Camino College Compton Center plus one point for each unit in which the student is currently enrolled (midterm) with a maximum of 60 points.

B. Points awarded according to the total units in the current program after the 12th week as follows: 0 to 3 units equals 0 points; 3.5 to 6 units equals 2 points; 6.5 to 9 units equals 4 points; 9.5 units to 15 points equals 6 points and 15.5 plus units equals 10 points.

C. A reward of 15 points to students for maintaining their original unit load from the start of the semester through

the 12th week.

D. A reward of 10 points to students with 2.0 or higher cumulative GPA

E. Day and evening programs are used to divide the student body into a day or extended day priority system. One or more day classes constitutes a day program.

3. The early enrollment of students who meet one of these guidelines:

- Instruction program requires time off campus limiting the choice of class periods on campus.
- The instructional activity requires a block of time associated with scheduled classes for such activities as practice, meetings, counseling and off-campus travel.
- First semester F-1 visa students.

## Adds and Drops

It is the student's responsibility to process an official withdrawal from class. Failure to do so may result in a letter grade of A through F. A student may drop a class or classes within the refund period and add another class or classes using the fees already paid.

If a student drops after the refund deadline, payment of fees for the classes is forfeited. Any added class will require additional fees.

A student may drop a class before the refund deadline and add a class with no additional fees. If a student drops a class after the refund deadline in order to add the same class at a different time/date/instructor, the student must request a lateral transfer or level transfer from both instructors. All transfers are processed through the Admissions and Records Office.

## Withdrawal from Class

**It is the student's responsibility to process an official withdrawal from class at the Admissions and Records Office. Failure to complete this process may result in a letter grade of A through F recorded on the student's permanent record.**

It is the high school student's responsibility to submit all required documentation on time and complete by the published deadlines. Failure to do so will jeopardize the student's enrollment for the semester/session.

## Photo Identification and ASB Stickers

All students are required to obtain a free El Camino College Compton Center identification card. These cards are available in the Student Life Office Monday - Thursday, 8 a.m. - 8:30 p.m. and Friday, 8 a.m. - 4:30 p.m.

These cards serve as photo identification, and are required for library services, campus activities, access to the Learning Resource Center and Open Computer Labs, and to verify attendance in classes.

All students are encouraged to purchase an optional ASB sticker for their photo identification cards during registration at the Bursar's Office. The ASB sticker offers a variety of discounts at businesses, theaters, ASB sponsored events, and athletics events. El Camino College Compton Center students can also utilize ASB stickers on the El Camino College campus including access to Activities Center table games, free admission to all campus athletic events and a discount on tickets at district-sponsored Center for the Arts events. Funds generated from the cards help support student activities. The \$10 sticker fee per semester is nonrefundable. The initial card is free and renewed each semester.

## Attendance

**If you enroll in a class and you do not attend the first scheduled meeting of the class, you may be dropped from the roster and your place may be given to a waiting student.**

## Children in Classrooms

Children are not permitted in classrooms while class is in session. Attendance in class is limited to officially enrolled students and authorized visitors or guests only. In addition, students shall not allow children to be left unattended or unsupervised anywhere on campus. It is the responsibility of each faculty member to inform students of this requirement.

Hand carried transcripts from the student or any other party will not be accepted.

Your first two El Camino College transcripts are free. Additional transcripts incur a fee as determined by college policy and payable at the time of the transcript request. Transcripts are processed on a first in, first out basis.

## Distance Education

[www.Compton.edu/Academics/DistanceEducation](http://www.Compton.edu/Academics/DistanceEducation)

Distance Education courses are ideal for those who are looking for a convenient way to take courses. The course content, course credit, and cost per unit is the same as equivalent courses offered on campus. Anyone who is eligible to take courses on campus may enroll in Distance Education courses.

It is strongly recommended that students review the Distance Education Web site at : [www.Compton.edu/Academics/DistanceEducation](http://www.Compton.edu/Academics/DistanceEducation) for additional information regarding requirements, procedures, and other program material. A short assessment is available on the Web site designed to help students determine if they are ready to successfully take college level courses at a distance.
