How do I file a valid prerequisite/corequisite/enrollment limitation petition?

The student challenge petition may be obtained from the Admissions and Records office. Take the completed petition and your required supporting documentation to the office of the division in which the challenged course is taught. Examples of documentation are transcripts, samples of previous work, certificates, certifications, and/or letters of recommendation. All petitions must have valid, supporting documentation in order to be reviewed. Failure to attach supporting documentation will result in your petition being denied.

How long does the petition process take?

A decision should be reached within (5) business days of filing a valid petition.
