Subject: CARES Act Emergency Grants: Apply Now!

Dear Compton College Student,

In support of current Compton College students, CARES Act emergency grants will be provided directly to students in need. These funds are designed to help students maintain enrollment at Compton College and pay expenses related to technology, health care, child care, course materials, rent, food, moving, or other expenses. If you are a Compton College student, and your financial situation has been negatively impacted by the COVID-19 pandemic, you may be eligible to receive an emergency grant of \$101 from Compton College for qualified economic hardships.

To qualify for the CARES Act grant, you must:

- Be enrolled in Summer 2020 (at least one unit) at Compton College.
- Have experienced financial hardship and expenses related to the COVID-19 pandemic.

If you meet the requirements above, you may submit your application [here](#).

Please apply as soon as possible, while funds are available.

Students must apply for the CARES Act emergency grant by **Friday, July 31, 2020**.

We know that many students' financial needs will extend beyond the current term; additional resources will be distributed to enrolled and qualifying students in the fall semester.

Please Note: The Coronavirus, Aid, Relief, and Economic Security (CARES) Act offers emergency financial assistance to students for expenses related to the disruption of campus operations due to the coronavirus. Award funding is limited to currently enrolled Compton College students who meet all required criteria. Application submission does not guarantee an award. Students will be notified of their award via the email address provided on their application.

Sincerely,

Keith Cobb
