

## **Entry to Campus Protocol Phase-Out Timeline**

[date of publication]

As the Los Angeles County Department of Public Health (LACDPH) guidelines adjust in response to the COVID-19 pandemic, Compton College continues to follow the <u>county's guidance for institutes of higher education</u>, including updating the scope of our Entry to Campus Protocol.

The following requirements will remain in place until further notice:

- All individuals, regardless of vaccination status, must wear a mask at all times when indoors
  and in the presence of others, except when actively eating or drinking, preferably outdoors.
- Compton CCD Resolution No. 08-17-2021A To Require Vaccination of Faculty, Staff and Students on the Compton College Campus
  - o The LACDPH defines "fully vaccinated" as up-to-date on all COVID-19 vaccines and boosted, or vaccinated and not yet booster eligible. Fully vaccinated individuals may shorten quarantine or isolation times according to LACDPH requirements. Refer to the <u>Isolation and Quarantine Requirements and Recommendations</u> for more information.
- COVID-19 test distribution program and referrals to St. John's Well Child and Family COVID-19 testing services
- <u>Compton CCD Resolution #11-16-2021B</u> To Approve One-Time Grants for Fully Vaccinated Students
- The Office of Human Resources and the Pandemic Coordinators will continue to track and monitor <u>positive COVID-19 cases on campus</u>. Online reporting tool remains available via MyCompton.
- The District will continue to provide all employees whose duties require contact with others with an N95 (or N-95 compliant) face covering at no cost.
- The District will continue to maintain HVAC systems in good, working order; make available high-efficiency air cleaners, and upgrade air filters to the highest efficiency possible.
- The District will implement any mandatory federal, state or local public health orders (including, but not limited to, mandatory provisions contained in higher ed guidance from the California Department of Public Health or Los Angeles County Department of Public Health) and will take reasonable steps to implement applicable recommendations or "best practices" guidelines issued by federal, state, or local public health officials, including Cal/OSHA. (MOU Between CCD and CCCFE regarding COVID-19 Vaccination Plan and accommodation Processes)

The following table lists the protocol and phase-out deadlines and justification for the change(s).

Date	<b>Protocol Adjustment</b>	Justification
April 14, 2022	Remove guard shacks from Lot	Part of the Recovery Phase of the Compton
	A; Repurpose elsewhere on	College Pandemic Outbreak – Emergency
	campus.	Operations Plan.
April 18, 2022	Reopen all entrances to campus.	The Board desires that faculty, staff, and
		students be able to return to the campus to the
		greatest extent reasonably possible and engage
		with each other in the pursuit and
		dissemination of knowledge without undue
		fear of COVID-19 infection. (Compton CCD
		<u>Resolution No. 08-17-2021A</u> )
April 18, 2022	Discontinue symptom screening. Completion of the Daily	No longer a LACDPH requirement.*
	Wellness Survey will no longer	Students and staff are encouraged to perform
	be required.	daily health screenings for infectious diseases,
		including COVID-19, and to stay home or seek
		medical care for any symptoms identified.
April 18, 2022	Reassign provisional checkpoint	Reasonable effort to maintain the employment
to June 9, 2022	screening assistants other	of these individuals through the remainder of
	administrative support duties	the spring 2022 semester.
	related to COVID-19 protocol.	
June 1, 2022	*Mask Mandate	Reassess based on current LACDPH guidance.
		To be discussed at <u>Consultative Council</u> and <u>Health, Safety</u> <u>and Parking Committee</u> meetings leading up to this date.
June 13, 2022	Begin removal of existing	No longer a LACDPH requirement.*
, ,	plexiglass barriers in classrooms.	
June 20, 2022	Reopening of common spaces.	LACDPH no longer restricts the access to or
ŕ	(breakrooms, staff lounge, weight	the capacity of common areas.
	room and track for employee-use,	
	lobby areas)	
August 8, 2022	Increase minimum days from 3 to	Part of the Recovery Phase of the Compton
	4-day workweek for nonessential	<u>College Pandemic Outbreak – Emergency</u>
	employees.	Operations Plan.
September 1,	Transition Enrollment Services	New Student Services Building will be open
