

# Entry to Campus Protocol Phase-Out Timeline

December 13, 2022

As the Los Angeles County Department of Public Health (LACDPH) guidelines adjust in response to the COVID-19 pandemic, Compton College continues to follow the [county's guidance for institutes of higher education](#), including updating the scope of our Entry to Campus Protocol.

The following requirements will remain in place until further notice:

- All individuals, regardless of vaccination status, must wear a mask at all times when indoors and in the presence of others, except when actively eating or drinking, preferably outdoors.<sup>#</sup>
- Students and staff are encouraged to perform daily health screenings for infectious diseases, including COVID-19, and to stay home or seek medical care for any symptoms identified.
- [Compton CCD Resolution No. 08-17-2021A](#) – To Require Vaccination of Faculty, Staff and Students on the Compton College Campus<sup>‡</sup>
  - The LACDPH defines “fully vaccinated” as up-to-date on all COVID-19 vaccines and boosted, or vaccinated and not yet booster eligible. Fully vaccinated individuals may shorten quarantine or isolation times according to LACDPH requirements. Refer to the [Isolation and Quarantine Requirements and Recommendations](#) for more information.
- Employees and students who have an approved medical or religious exemption from the Office of Human Resources will continue to test weekly.
- COVID-19 test distribution program and referrals to St. John’s Community Health COVID-19 testing services.
- [Compton CCD Resolution #11-16-2021B](#) - To Approve One-Time Grants for Fully Vaccinated Students (expires December 31, 2022)
- The Office of Human Resources and the Pandemic Coordinators will continue to track and monitor [positive COVID-19 cases on campus](#).
- Online reporting tool remains available via MyCompton (“Report a Positive COVID-19 Case” tile).
- Plexiglass will remain in place at this time, in customer-facing office areas where transactions occur with the public.<sup>♦</sup>
- The District will continue to provide all employees with face coverings at no cost. Respirators and N95 (or N-95 compliant) must be provided for voluntary use by employees who request them and work indoors or in vehicles with other persons. ([Cal/OSHA ETS updated Nov. 8. 2022](#))
- The District will continue to maintain HVAC systems in good, working order; make available high-efficiency air cleaners, and upgrade air filters to the highest efficiency possible.
- Continue weekly disinfecting of offices, classrooms, meeting spaces, and restrooms.<sup>^</sup>
- The District will implement any mandatory federal, state or local public health orders (including, but not limited to, mandatory provisions contained in higher ed guidance from the California Department of Public Health or Los Angeles County Department of Public Health) and will take reasonable steps to implement applicable recommendations or “best practices” guidelines issued by federal, state, or local public health officials, including Cal/OSHA.
