**FACULTY COUNCIL**  
**Thursday, September 9, 2010 BOARD ROOM**  
Minutes

**I. Call To Order – Estina Pratt**

**II. Approval of Agenda – Michael Odanaka, Second: Jerome Evans**

**III. Approval of Minutes – N/A**

**Discussion Items:**

- **Veteran’s Committee** – Darwin Smith. A club for and by Vets. Dr. Cox agreed that we needed something like this. Curry and Smith are working on it. There are a lot of Vets here at the Center. Some of them need help, and we need to help them to “get back into the world.”
- **Veteran’s Reception/Event** – September 29<sup>th</sup> – 5 – 7 p.m.
- **Faculty Mixers** – Halligan – want to talk to the folks at the Foundation to see if they will sponsor a faculty event in the boardroom courtyard that could involve alcohol. Council decided to make it an Action Item for the next meeting.
- Michael Odanaka – **Faculty Mentoring Program** – we need to bring it back! We need to talk formally with Barbara to see if she would be willing to get on board with the idea. Perhaps do a sign-up sheet at the Faculty Mixer to see if any faculty would be interested in mentoring.
- **Retiree’s Association** – we need to get back in touch with our retirees too! Perhaps invite them to the Faculty Mixers.

**Action Items** – No report.

**Motion to Adjourn** – Chris Halligan, second: Jose Villalobos. Approved by the Council.
