Register for Winter 2017 Term at El Camino College Compton Center; Complete a Course Requirement in Just Five Weeks

Winter 2017 Term is January 5 through February 7, 2017

El Camino College Compton Center student Cynthia Manjarrez is thankful a five-week winter term is being offered in January 2017. A personal setback this semester has put her behind in her educational plan. “I was so happy when I looked in the class schedule and found the exact child development class I need to take,” she said. “I plan to graduate with an associate degree next spring, and this class will get me back on track with my graduation requirements.”

Winter term provides a great opportunity for students to get ahead in their educational plan and complete up to seven units in five weeks! The winter term is perfect for helping students graduate sooner, improve a GPA, repeat an essential course, and lighten the course load for spring, as well as satisfy any prerequisites.

Registration for the winter 2017 term is currently in progress. All students are encouraged to register early for the best class selection. Students may register online at www.compton.edu by clicking on *MyECC*. Although campus will be closed for winter recess December 23 through January 2, online registration is available 24 hours a day, seven days a week.

The schedule of classes, in both digital and searchable formats, is available on the Web at <http://www.compton.edu/student-services/admissionandrecords/ClassSchedule.aspx>.

A variety of transferrable and general education courses are being offered during both daytime and evening hours. Classes are available in anatomy, chemistry, biology, child development, geography, history, nursing, political science, Spanish, and more. Basic skills courses will also be available including math, English, and educational development.

Winter 2017 classes begin January 5 and run through February 7. Apply and register online, 24 hours per day via the ECC Compton Center website www.compton.edu. Fees are only \$46 per unit. For more information, please call 310-900-1600 or visit the website.

Financial aid and scholarships are available to help students pay for college. For more information about grants and scholarships, and to receive assistance with the application process, contact the Financial Aid Office, Room E-17, at 310-900-1600, Ext. 2935.
