Applications Available Now for Summer and Fall 2016 at El Camino College Compton Center

Early Registration Available to New Students

In-district high school seniors and college bound students are encouraged to apply immediately to enroll at El Camino College Compton Center for summer and fall 2016.

“A lot of students wait until the last minute to begin the enrollment process,” said Keith Curry, provost for El Camino College Compton Center. “If students complete the steps to enroll and register for classes early, they will get the classes they need to stay on track to graduate on time.”

Priority Registration is available to students living within the Compton Community College District and students who graduate from high schools within the district. The Compton Community College District includes: Compton, Lynwood, Paramount and Willowbrook, as well as portions of Athens, Bellflower, Carson, Downey, Dominguez, Lakewood, North Long Beach and Southgate. In-district students must complete all four steps to enroll at ECC Compton Center before March 31, 2016 to be eligible for priority registration.

“Enrollment went very smooth for me,” said Oscar Gonzalez-Ortega, a 2015 graduate of Rancho Dominguez Preparatory School. “I attended the ECC Compton Center outreach sessions at my high school, which helped me with the steps to enroll. I received priority registration and got all the classes I needed. A student services advisor at the Welcome Center helped me determine which classes would be best for my schedule overall.”

All new students are encouraged to apply as soon as possible to begin the four easy steps to enroll at El Camino College Compton Center:

- APPLY** New and returning students must complete an application
- PREPARE** All new students must participate in an Orientation session and are encouraged to take advantage of the practice placement tests
- TEST** Assessment testing must be completed prior to registering for classes
- PLAN** Students must see a counselor prior to registration to develop an education plan

Current high school seniors interested in attending ECC Compton Center for summer or fall 2016 are encouraged to apply and complete all four of the required [Steps to Enrollment](#) as early as possible, even if they haven't made their final decision about higher education.

“My advice to other students going through the enrollment process is don’t be afraid to ask questions, because the staff at Compton Center are a great help,” said Gonzalez-Ortega. “I visited the Welcome Center regularly to get assistance in completing the steps to enroll.”

High school seniors and other students planning to enroll at ECC Compton Center for the first time should go to www.compton.edu and apply online today! For more information, please visit <http://www.compton.edu/apply/>.
