Public Hearing on Proposed Maps for New Trustee Area Boundaries

At the January 24, 2022 meeting, the CCCD Board of Trustees will hold a Public Hearing on the proposed maps for new Trustee Area boundaries.

Every 10 years, local community colleges, city councils, and other local agencies must adjust their elected trustee area boundaries, through a redistricting process, in order to equalize the population. Currently, trustees in the CCCD must live in the trustee area they represent. Residents vote by “trustee area,” whereas, they may only vote for candidates who reside in their specific trustee area.

Members of the public are encouraged to attend the Public Hearing, and may also review the redistricting maps on the district website at https://compton.edu/district/district_information/district-redistricting.aspx.
