Dear [student name],

Congratulations! You are guaranteed admission to Compton College for the fall 2023 semester. This offer of admission recognizes your hard work to graduate from high school. You and your loved ones have every reason to be proud. I hope that you celebrate this success.

I want to take this opportunity to share that as a graduate from the Compton, Lynwood, or Paramount school district, you are eligible to receive waived enrollment fees at Compton College when you participate in the Oliver W. Conner College Promise Program. This means that you can attend college at a very low cost. Instead of paying \$1,914 in registration fees for one year, **you will pay only \$74!** The best news is that waived fees are applicable for two years. To learn more, visit the following webpage:

<http://www.compton.edu/student/comptonpromise/fees.aspx>.

As you think about your next steps, I encourage you to learn about other Compton College programs and services that are available to support your college education, from free tutoring and student health services to transfer and career advising. To guarantee your admission and participation in the Oliver W. Conner College Promise, submit your application via this webpage: <http://www.compton.edu/student/comptonpromise/> and complete your Virtual Steps to Enrollment.
