Dear [First Name]:

On behalf of Compton College, I would like to invite you back for the fall 2020 semester. It is not too late to register for classes – mid-term classes begin Saturday, October 17.

We are providing fall 2020 students with free laptops, Wi-Fi hotspots, and meals (for pick up or delivery). CARES Act emergency grants are also available for eligible students. Visit the Student Resources webpage on the Compton College website (www.compton.edu) for more information.

I encourage you to enroll in an eight-week mid-term class to complete your career and educational goals. Please contact the Welcome Center with any questions you may have. Advisors are available virtually Monday-Friday: <http://bit.ly/Welcome-to-Compton>.

You may register online 24/7 via MyCompton. Search for open sections via the Searchable Class Schedule available online at www.compton.edu.

Compton College will prepare you for the future, whether your goal is to transfer to a university or earn a degree or certificate leading to a rewarding career. We are here to ensure you have the support to reach your goals successfully.

Again, on behalf of the faculty and staff, we wish you much success at Compton College.

Sincerely,

Keith Curry, Ed.D.
President/CEO
Compton College
