

**Weather Advisory – August 20, 2023**  
**In-Person Classes are Canceled for Monday, August 21**

Dear Compton College Students:

Out of an abundance of caution due to current weather conditions, in-person Compton College classes (except for in-season Athletics classes) and classes held at Paramount High School West and Paramount High School will be canceled for Monday, August 21. In-season athletics classes will report during their regularly scheduled class time on campus.

Classes held at Compton High School, Centennial High School, Dominguez High School, Compton Early College (at Willowbrook), Firebaugh High School, and Lynwood High School are still being held in person at the high school locations unless we hear differently from the districts.

Classes scheduled to meet synchronously (on Canvas/Zoom) or asynchronously online will continue to meet as scheduled.

Please note, that all Compton College Student Services departments will open remotely on Monday, August 21 (via Cranium Café and email), and will resume on-campus operations at noon.
