THOMAS E. HENRY
Special Trustee

Dear Special Trustee Henry:

Happy New Year! I wish you and the dedicated employees of Compton Community College District a joyous and healthy New Year. Reflecting on the past year and our accomplishments, I truly appreciate the hard work and dedication the employees of Compton Community College District continue to provide to students. As we begin the new calendar year, let us all continue to be inspired in our daily work by the words – “every student is a success story”.

On Friday, December 9, 2011, the District sponsored an “Employee Appreciation Breakfast” in recognition of the contributions of all District employees. The event was very well attended. During the breakfast we honored the employees who are retiring. Several of the Compton Community College District elected Board of Trustees members attended the event and participated in the ceremony recognizing retiring employees. Please mark your calendar now for the next “Employee Appreciation Breakfast”, scheduled for Friday, June 1, 2012 from 8:00 a.m. to 9:30 a.m. in the Student Lounge.

The next regular Board of Trustees meeting will be held on Tuesday, January 17, 2012. Closed session will begin at 5:30 p.m., with open session commencing at 6:00 p.m. Once again, you may notice a slight change in the order of business on the January 17, 2012 board agenda. This change is intended to make the meeting operate more smoothly and the agenda easier for all to understand. There will be a Basic Skills Presentation by Barbara Perez, Vice President of the El Camino College Compton Center and Marci Meyer, Research Analyst for the El Camino College Compton Center.

At the January 17, 2012 board meeting, you will be provided with a copy of the Report on Consulting Services presented to Compton Community College District by Vasquez and Company LLP. As you may recall, last spring the Compton Community College District engaged Vasquez and Company LLP to assess the components of its fiscal operations. The report includes their findings and recommendations for the period of March 24, 2011 through September 30, 2011. Included with the report is a copy of the District’s response and how the District intends to proceed with addressing some of the findings and recommendations from the report. The final report and the District’s response are available to the public in the Interim CEO’s office.

The Board Agenda includes the following:

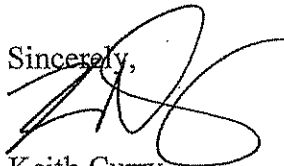

- A. The Consent section includes various purchase orders necessary for the operations of the District and El Camino College Compton Center; as well as all personnel actions.
- B. The Action Agenda section includes the recommendations for the Special Trustee Advisory and the Redistricting committees.

- C. The Information section includes the board meeting presentations and reports schedule for 2011-2012; the Redistricting Action Plan; and the 2011-2012 Budget and Planning Calendar.
- D. The Academic Affairs section contains a report on El Camino College Compton Center student enrollment.

The following items are included for your perusal:

1. Message from Interim CEO, dated December 14, 2011.
2. Letter from Vavrinek, Trine, Day and Company LLP, an independent, external auditing firm updating me on the financial statements and compliance audits for the year ended June 30, 2011, dated January 3, 2012.
3. Memo from Mr. Babatunde Atane dated January 12, 2012, updating me on the budget adjustments, augmentations, and transfers since the 2011-2012 final budget was adopted by the Special Trustee on October 18, 2011.

MESSAGE FROM INTERIM CEO

DR. KEITH CURRY

Thank you to everyone who participated in our Staff Appreciation Breakfast last week. Whether you helped cook, serve, clean; or joined us as one of our valued employee guests, everyone appeared to enjoy the food and good company.

For this month's message, I want to focus on one of the goals outlined in September for the Compton Community College District's 2011-12 academic year. December is a good month to address the goal, "Support Professional Development for District Employees".

Working through the El Camino College Staff Development Office, several workshops have been offered during the fall semester for faculty, staff and managers on a variety of topics. Two open forums with information for using Plan Builder to ensure planning recommendations come from the department/programs through the divisions to the CEO Cabinet were held in October.

In November, a workshop focusing on effective presentation skills was available for anyone who needs to make presentations on programs and services offered by the ECC Compton Center; as well as for those who wish to hone presentation skills or learn the ins and outs of giving presentations.

Additionally, staff development workshops for facilitating effective staff meetings and the "Dynamics of Emotional Intelligence on the Job" were both held in the fall of 2011.

Plans for three to four staff development workshops in the spring include – "Managing Stress", "Identify Your Strengths to Enhance Your Career" and "Resume Writing & Interviewing Skills".

Thank you to Rachelle Sasser for spearheading the Compton District Professional Development Committee. In addition to Rachelle Sasser, members of the committee include: Fazal Aasi, Wendy Johnson, Dalia Juarez, Shemiram Lazar, Abdullah Malik, Chelvi Subramaniam, and David Vakil. The committee held their first meeting on December 5. At the next meeting, scheduled for January 30, 2012, the committee will review the committee mission and goals, and make appropriate revisions/edits.

An additional component to the Compton District Professional Development goal is to encourage employees to return to school to further their education and enhance current skills and/or learn new ones.

Here is hoping everyone has a wonderful holiday and a Happy New Year! See you all in 2012.

January 3, 2012

Dr. Keith Curry
Interim Chief Executive Officer
Compton Community College District
1111 East Artesia Blvd
Compton, CA 90221

Dear Dr. Curry:

As noted in our meeting with the Compton Community College District on December 7, 2011 and again by e-mail to the District and the State Chancellor's Office, the financial statement and compliance audits for the year ended June 30, 2011, for the District would be delayed until January 2012.

Due to changes in staffing as well as changes to the financial reports for the year ended June 30, 2011, information that is necessary to complete the audits was not available during our audit visit the week of November 28. We completed many of the necessary procedures, however, Federal and State compliance procedures were not completed. The audit of Instructional Service Agreements, and Contact Hours will be concluded next week, during the dates of January 10 – 12. Additionally, it has been noted that the federally funded child care grants were recorded in the financial records as State revenue and not included in the testing of Federal compliance; this will also be concluded next week. We are continuing to perform procedures over the balance sheet accounts, and revenue and expenditure accounts as additional journal entries were being noted, reviewed, and posted up to December 1.

All audit related verification procedures and compliance testing will be concluded no later than January 20, 2012, to provide sufficient time for you and staff to review the comments and results of the audit, and complete the required reporting to the Special Trustee and the State Chancellor's Office no later than January 31, 2012. If additional time is necessary to complete these procedures, we will promptly inform you of the delay and the required additional amount of time to complete the procedures.

In addition to the District financial statement and compliance audits, we will be conducting a close out audit of the Perkins Loan Program during the dates of January 10 – 12. We anticipate the report to be finalized no later than January 31, 2012.

We will also be completing the financial statement and program compliance audit of the Proposition 39 General Obligation Bonds during this period of time with the anticipated completion and reporting no later than January 31, 2012.

Please contact me if you have any questions.

Very truly yours,

Heidi E. White

Compton Community College District New Student Trustee

Editor's Note: Photo available upon request.

The new student trustee for the Compton Community College District is Compton resident Anesa Nelson, who was elected by the students of El Camino College Compton Center to represent them on the District's Board.

Nelson welcomes this new role in addition to the other activities she is involved in at ECC Compton Center including track and field, Alpha Gamma Sigma, the Facilities Committee, and the Grade Appeal Committee. As the student trustee, Nelson will discuss issues, make and second motions, and receive all materials presented to members of the Board except for closed session issues.

Nelson admits that the position of student trustee is a big responsibility, but she is excited to serve. "I plan on being an advocate for my fellow students and addressing issues that others might be intimidated to discuss with board members," says Nelson.

In 2010, Nelson enrolled at ECC Compton Center and quickly became engaged in college life, which she finds very rewarding. "The best part about being involved is that I am able to make people smile and help create an environment at ECC Compton Center that students are proud of," said Nelson.

After learning about the student trustee position, Nelson decided to apply as a way to become more attuned to financial issues affecting ECC Compton Center and learn more about the duties required of board members. She believes she was ultimately selected because of the common concerns and values she shares with many ECC Compton Center students.

In fall 2013, Nelson plans on transferring to a four-year university in Northern California to major in special education with a minor in sociology. Eventually, she would like to use her degree to work with special needs children. "I believe that serving as student trustee will help me with my future goals by exposing me to a leadership role and political issues that I may encounter in my career."

Compton Community College District Publishes Redistricting Action Plan

The Compton Community College District (CCCD) recently published its redistricting action plan as part of a public process to review and modify the elected trustee area boundaries.

Every 10 years, local community colleges, city councils and other local agencies must adjust their elected trustee area boundaries in order to equalize the population. Currently, trustees in the CCCD must live in the trustee area they represent. Residents vote by "trustee area," whereas, they may only vote for candidates who reside in their specific trustee area.

In September 2011, the CCCD initiated discussions on the process required to modify trustee area boundaries. In November, the District made a public request for applications from those who are interested in serving on the District's Redistricting Committee. Applications from interested individuals are due to the Office of the Interim CEO by 4:30 p.m. on Friday, December 16. The committee members will be appointed by the Special Trustee in January 2012.

November 2011
