The possession, sale, or the furnishing of alcohol on campus is governed by California state law and these procedures. The possession, sale, consumption, or furnishing of alcohol is controlled by the California Department of Alcohol and Beverage Control. However, the enforcement of alcohol laws on-campus is the primary responsibility of the Compton College Police Department. The campus has been designated “Drug free” and only under certain circumstances is the consumption of alcohol permitted. The possession, sale, manufacture, or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by the Compton College Police Department. Violators are subject to disciplinary action, criminal prosecution, fine, and imprisonment. It is unlawful to sell, furnish, or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or a place open to the public is illegal. It is also a violation of this policy for anyone to consume or possess alcohol in any public or private area of campus. Organizations or groups violating alcohol or substance policies, or laws may be subject to sanctions by the District.
